Tune in February 23 and 24 to the Olympic bobsled events, which will be telecast from 8 p.m. through midnight.

### Go for the Gold, Mickie! We're pushing for YOU!

Novi is also home to Olympian Emily Samuelson, who will represent the USA with her partner Evan Bates in pairs skating. It is absolutely amazing to have two Olympians from our hometown, and one from our very own neighborhood! Congratulations to all our Olympians and best of luck!

## **THE 2010 TURTLE CREEK DIRECTORY**

Do we have your correct contact information?

The 2010 directory is being compiled now. Please email Holly Leonard ([hleonard@brasscrafthq.com](mailto:hleonard@brasscrafthq.com)) or call Carol Spellman (248-735-8404) as soon as possible with any necessary changes. Thanks!

The library will be closed in April and May so over 140,000 items can be tagged and relocated into the new library. Volunteers are needed to help make the transition happen. To learn more about helping out or getting books during the move, see the library's website at: <http://novilibrary.org/>
